### OH THOSE LAZY, CRAZY, HAZY DAYS OF SUMMER . . .

School is finally coming to an end and all the craziness of summer is about to get started. Once the routine of school ends and there is a little more flexibility in your schedules, why don't you make a commitment to give God an extra day a week besides Sunday? Bring the kids to a daily Mass; make some cookies for a neighbor or a shut-in and take the kids along to visit. We get so caught up in the "busyness" of summer that we need to step back and take some time to get our priorities in order. Spend some extra time with family and friends and do something to help someone else. I wanted to share this poem with you that I ran across recently. Even though we are halfway through the year, I think it makes sense to make some summer resolutions to get us back on track.

### SUMMER RESOLUTIONS

Let me be a little kinder,  
Let me be a little blinder  
To the faults of those about me;  
Let me praise a little more.  
Let me be – when I am weary –

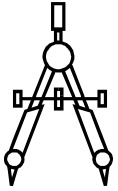

Just a little bit more cheery;  
Let me serve a little better  
Those that I am striving for.  
Let me be a little braver  
When temptations bid me waver,  
Let me strive a little harder  
To be all that I should be.  
Let me be a little meeker  
With the brother that is weaker,  
Let me think more of my neighbor  
And a little less of me

I wanted to share with you how encouraged I was when one of our parish families took the time to make Valentine's for our shut-ins and then delivered them personally! What an incredible treat that was for those folks. Both the receivers and the givers!

Pray and ponder over what you can do to make the summer better for someone else.

**NEW SIR KNIGHTS:** The following Knights became Fourth Degree Sir Knights at the Cherry Valley Exemplification on May 2.

Mike Fox  
 Elliot (Al) Hannum  
 Bill Mokris  
 Jeff Lieser

Welcome brother Knights. We look forward to seeing you at future meetings.

As a side note, the exemplification ceremony has changed considerably since most of us went through ours. I attended the May 2 ceremony and it was very interesting and informative. I encourage anyone that has not observed the new process to sit-in on a future exemplification. It also helps to support the exemplification team as well as the candidates.

**END OF THE YEAR:** A year as an officer for the Assembly passes by much quicker than it seems it will at the beginning of the year. As a result, many of the things we anticipate doing when we start don't get completed. This is the time to focus on the positive things that have happened. The Assembly has grown bigger and stronger thanks to the foundation set by PFN Mark Steele, our first Faithful Navigator and a strong team of officers to guide our development. My personal thanks go to the officers and trustees that have helped me during this past year.

We have seen some new members step forward as officers. This is critical to the continued growth of the Assembly. With the assistance and guidance of the past officers their work is made easier. As I have done before, I strongly encourage every member to

consider running for an office next year. You have a full year to look at all offices, observe activities at our meetings, find out from our by-laws and input from past officers what the duties are, and, prepare yourself for election.

**ELECTION RESULTS (2009-10):** Elections are over! Congratulations to the following newly elected officers for the 2009-10 administrative year. My thanks go to the Nominations Committee (Sir Knights Gus Gastaldo, Wayne Royer and Bob Peters) for recruiting and presenting an excellent slate of candidates.

CAMPBELL, WILLIAM

Rank and organization: Boatswain's Mate, U.S. Navy. Born: 1838, Indiana. Accredited to: Indiana. G.O. No.: 59, 22 June 1865. Citation: On board the U.S.S. Ticonderoga during attacks on Fort Fisher, 24 and 25 December 1864; and 13 to 15 January 1865. Despite heavy return fire by the enemy and the explosion of the 100-pounder Parrott rifle which killed 8 men and wounded 12 more, Campbell, as captain of a gun, performed his duties with skill and courage during the first 2 days of battle. As his ship again took position on the line of the 13th, he remained steadfast as the Ticonderoga maintained a well-placed fire upon the batteries on shore, and thereafter, as

she materially lessened the power of guns on the mound which had been turned upon our assaulting columns. During this action the flag, was planted on one of the strongest fortifications possessed by the rebels
